## **Major Coal Mines and the Designated Coal Impact Area**

## THE MONTANA COAL BOARD

- The Coal Board was created in 1975 with the adoption of the Coal Severance Tax.
- The seven-member board is appointed by the Governor and meets quarterly.
- Its purpose is to provide grants to help communities meet public facility or public service needs that are related to the development or decline of coal mines or coal-fired power generating plants.
- Eligible applicants include cities and towns, counties, consolidated governments, tribal governments, school districts, state agencies, and county or multi-county water, sewer, or solid waste districts or other governmental units.
- The Coal Board is funded from the Oil, Gas, and Coal Natural Resource Account established by the 2005 Legislature through HB 758. The account provides 2.9% of coal severance tax proceeds for coal impact grants and support of the Coal Board. This would provide approximately \$3 million

### Grants Awarded in 2008 and 2009

During fiscal years 2008 and 2009:

- A total of 44 grant applications were submitted to the Coal Board. The projects included school safety improvements; hospital renovations and equipment; city halls; fire stations; police and sheriff equipment including cars, radios and fingerprinting systems; road equipment including rock crushers and belly dump trucks; fire trucks; emergency operations radios and transmitters, as well as preparation of community growth policies and preliminary engineering and architectural studies.
- Seven of the FY 2009 applications, amounting to \$2,111,398, have moved to full application status to be evaluated at the March, 2009 meeting although no funds are available. The Governor's budget proposes \$3 million for the Coal Board for the 2010-2011 Biennium. Pending applications are:

Applicant	Project	Amount Requested	Total Project Cost
City of Hardin	Fire Station	\$250,000	\$900,000
Musselshell County	Short-term Staffing – 2 road department personnel and 1 law enforcement personnel for a 2-year period	\$259,080	259,080
Musselshell County	Road and Sheriff Department Equipment -2 patrol cars, a patrol motor grader, 1 pick-up	\$480,000	\$900,000
Musselshell County	Ambulance	\$130,000	\$130,000
Musselshell County	Fattig Creek and Majerus Road Construction	\$585,044	\$1,729,755
City of Roundup	Stormwater Main Trunk-line	\$390,000	\$490,000
Roundup Schools	Capital Improvements Plan	\$17,274	\$22,274

- The Coal Board awarded a total of 32 grants, totaling \$2,000,000.
- The 32 grants ranged from a high of \$200,000 to a low of \$7,500.
- The average grant amount was \$62,500, up from \$47,500 in 2006 and 2007.
- The 32 projects involve over \$13.9 million in other state, federal and local funds.

**Existing and Proposed Development In Montana's "Coal Country"**

*(See map on the following page.)*

Current and proposed Montana coal-related projects include:

- During 2005, the MDU Resources' **Rocky Mountain Power** 116-megawatt coal-fired generating plant at Hardin went on line.
- A coal-fired electric and wood co-generation plant, **Thompson River Co-Gen**, in Thompson Falls is currently off-line pending settlement of an air quality permit issue
- **Great Northern Power Development** of Denver and Kiewit Mining Group of Omaha have proposed a \$1 billion 500-megawatt coal-fired generating plant near Nelson Creek west of Circle, along with an adjacent coal mine, and related infrastructure.
- **Bull Mountain Power** has proposed two 350-megawatt coal-fired generators using 2.7 million tons of coal per year from the Bull Mountain Mine at Roundup.
- **The Southern Montana Electric Generation and Transmission Cooperative** is seeking permits to build a \$515 million 250-megawatt coal-fired generating plant at Great Falls.
- **Kennecott, Bechtel, and Wesco** have proposed building a coal plant to generate 3,000 megawatts at Otter Creek.

**Montana has six existing coal mines (with total production from Dec. – Nov., 2005):**

- **Bull Mountain Mine near Roundup** (208,755 tons)
- **Decker Coal Company at Decker** (8,241,274 tons),
- **Spring Creek Mine in Big Horn County** (12,001,290 tons)
- **Western Energy Company's Rosebud Mine at Colstrip** (12,413,482 tons)
- **Westmoreland Resources' Absaloka Mine at Hardin** (6,588,633 tons)
- **Westmoreland Resources' Mine at Savage** (380,042 tons).

## Criteria

### Questions for Grant Applicants

Under State law (Section 90-6-206, MCA) and the Administrative Rules of Montana (Section 8.10.301, ARM), grants must be awarded on the basis of:

**Need** – what assistance is required to eliminate or reduce a problem that threatens the public's health, safety, or welfare that is the result of coal development or decline?

**Severity of impact from coal development or decline** – what has been the relative amount of demographic or economic change that is a result of the coal development or decline?

**Availability of funds** – the weighing of the amount of available Coal Board funds in comparison to the total requests submitted?

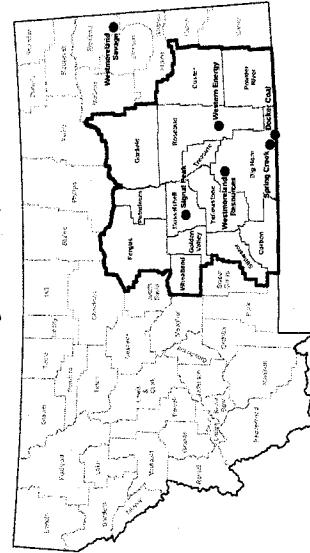

**Degree of local effort** – what other funding sources can the applicant pledge to the project based on the applicant's indebtedness and current taxing efforts, and has the applicant sought out all other reasonable sources of funding to assist with the project?

**Planning** – does the proposal fit into an overall plan for the orderly management of the existing or contemplated growth problems?

## **Funding Authorized**

Coal Board Grant Dollars Appropriated by the Montana Legislature for:

### **Fiscal Years 2008-2009...\$ 2,000,000**

Coal Board grants are funded by Montana's Coal Severance Tax.

### **Purpose**

The Coal Board's purpose is to assist local governmental entities that must provide expanded public services and facilities needed as a consequence of coal development, consumption, or decline. (See Section 90-6-201, MCA.)

### **Eligibility**

Where a coal impact exists, Coal Board grants may be awarded to any:

- ◆ City
- ◆ Town (incorporated)
- ◆ County
- ◆ School District
- ◆ Special District
- ◆ Federally recognized Indian tribe – 7% limit (See Section 90-6-209)
- ◆ State agency (See Sections 90-6-206, 207, 208, MCA)

Fifty percent of the funding appropriated for coal impact grants is reserved for governmental units within the designated coal impact area.

*Returning coal severance taxes to coal impacted areas.*

## **Montana Coal Board**

The seven-member Coal Board meets quarterly to consider applications for coal impact grants. All Board meetings are open to the public. Public comment on any public matter that is within the Board's jurisdiction will be allowed at all Board meetings. The opportunity for public comment is reflected on the meeting agenda. All comments are included in the official minutes of the meeting.

### **Montana Coal Board Members**

 Marcia Brown - Butte  
 Dan Dutton, Vice-Chair – Belfry  
 Chad Fenner – Hardin  
 Julie Foley - Missoula  
 Thomas Kalakay – Billings  
 Gerald Navratil – Sidney

## **Application Process**

1. Applicants can download the Coal Impact application form from the Board's website or request information from the Coal Board staff.

2. Applications are due the first of the month before the scheduled month of the meeting. Applicants can contact staff for assistance with application procedures.

3. Staff, Board members, and other appropriate agencies review the application.
4. The applicant appears at a scheduled meeting and formally presents the proposal to the Board.
5. The Board considers the proposal and votes to either:
  - **Approve** the Application
  - Table the Application and request more information, as needed; or
  - **Deny** the Application.

If approved, contract stipulations are established and staff prepares a grant contract.
